Start PEN - NAMES

---

## PEN - NAMES

Notes:

1. 'A' + 'an' do not affect alphabetical order e.g. 'American Jewess, An'
2. Groups of initials are put before words eg 'S. D. S.' before 'Schoolmaster, A'
3. Similar pen-names are grouped under the one heading, but it should not be assumed that they refer to the same person ~~[[illegible] can apply to many people?]~~

[Contd]

## Pen-names

Notes 4

The reference for the pen-name is the column in which the name appears, not the beginning of the letter or article written by the author.

5. 'A Correspondent' is not indexed
